SKILL DEVELOPMENT CENTRE

As India moves progressively towards becoming a global knowledge economy, it must meet the rising aspirations of its youth. This can be partially achieved through focus on advancement of skills that are relevant to the emerging economic environment. The challenge pertains not only to a huge quantitative expansion in skill training for the youth, but also to the much more important task of raising their quality. With a goal to create opportunities, space and scope for the development of the talents of the Indian youth and to enhance their technical expertise Grameen Sneh Foundation(GSF) , Bihar Chapter in association with SKILL INDIA organises several batch of skill development training programme across the year. During 2018, Skill Development is one of the major activities by GSF amongst youths in rural areas of Bihar and Odisha, Grameen Sneh Foundation is working in this field from past 3 years in association with other organisations such as PMKVY, NYKS etc.
